## **ProGuard Product Data**

### **ProGuard Sparquench 122** Quench Lubricant Product Data Sheet

**ProGuard Sparquench 122** is an oxidation inhibited quench oil formulated from highly refined paraffinic base stocks. It is designed to provide long service life in conventional operations requiring a fast quench speed.

**ProGuard Sparquench 122** retains its original viscosity indefinitely in normal service and requires no additive additions. The outstanding physical characteristics of **ProGuard Sparquench 122** along with the cost/performance function ratio positions this product as an excellent replacement for your present quenching oil.

#### **Outstanding Features**

- Fast Quench Time
- Good Oxidation Stability
- Low Maintenance
- Cost Effective

#### **Physical Specifications**

Color	Dark Amber
Odor	Characteristic
Appearance	Clear, Liquid
Viscosity @ 40°C Cst	21.7-26.3
Viscosity @ 100°F Sus	105-125
Specific Gravity @ 60°F	0.8630
A.P.I. Gravity @ 60°F	32.5
Density (lbs/gal)	7.185
Flash Point	360°F
Pour Point	5°F

071116
